Village Board to Ponder 'Go-Kart' Track, Licenses, Possibly Fire Station Add

This week Friday's adjourned meeting of the Antioch village board of trustees was set up originally to take care of matters pertaining to the end of the fiscal year and renewing and/or granting licenses.

However, it was learned this week that at least one other proposition may be aired.

That is the request by the Bi-State Go-Kart club for use of land on the east side of the Soo line tracks as a track for its members.

The place would be near or in the fenced in area just west of Anita avenue and south of Ida avenue set up now as an ice hockey rink. This rink was not used this past winter but has been before that time.

The land is owned by the village and is near several small industries that have located in Antioch in recent years.

This meeting of the board is needed to take up village liquor licenses and other licenses it grants. It also would consider bills and other problems relating to the end of the fiscal year.

It may be also that the village board will consider the proposal by the Antioch fire protection district for an addition to the present fire station to house new apparatus.

Fire chief Ed Simonsen has plans for the addition ready to submit and with a new truck due to arrive before many more months pass, start

on such construction will be necessary soon.

The addition would almost double the present fire station apparatus room and would extend out to within about 10 feet of Orchard street. It would house a new pumper plus some other apparatus that may be bought in the future.

Next regular meeting of the village board is scheduled Monday evening, May 2.

Bids will be opened at next Tuesday's session to supply the village with a police squad car, 1960 model.

TWO SEPARATE ACCIDENTS in almost the same spot on route 173 a mile west of Antioch early Sunday morning caused considerable damage to four automobiles and resulted in the death of Mrs. Mabelle Kline, 69, of East Chicago. Mrs. Kline died in the wreckage shown in the top photo, the second mishap of the night. Her husband, Samuel Kline, 60, was seriously injured. Driver of the other car was Kathleen Jaszowski, 20, of route 3, Antioch. The bottom photo shows the wreckage of cars being operated by Vick Meyers and by Bruce Oberg after they had collided a half hour earlier than the fatal accident. State trooper Al Larson is shown at the right. It was reported Oberg's car rolled over four times. (Tom Steiskal photos)

Crash Near Antioch Claims Life Of East Chicago Woman Sunday

An East Chicago, Ind., woman, Mrs. Mabelle Kline, 69, was killed instantly and her husband, Samuel, 60, was injured seriously in the second of two automobile accidents on route 173, one mile west of Antioch Sunday morning.

State police said the fatal mishap happened on an open stretch of road at a slight curve at the same spot a half hour after another head-on collision.

Drivers of two sport cars involved in the earlier mishap were Bruce Oberg and Vick Meyers. Home address of neither person was available this week.

Also injured in the Kline wreck was William Theisen, 20, of Chicago, passenger in the Kline auto.

State troopers Al Larson and Lou Crawford said Samuel Kline was driving west when the Jaszowski auto crossed the centerline into his lane.

THE ANTIOCH Rescue Squad spent a busy early Sunday morning taking crash victims to Waukegan hospitals.

While it was on its way to Waukegan, a car came up behind it, riding dangerously close, officers reported. Sheriff's deputies stopped it and arrested William Ladewski of rural Antioch on reckless driving charge.

The death of Mrs. Kline was the eighth traffic fatality in Lake county this year.

The body of Mrs. Kline was taken to Strang funeral home, Antioch, and later to a funeral home in Chicago. Interment was to be in St. Joseph's cemetery, River Grove.

Edward Priester, 37, of route 2, Antioch, was charged with allowing an unauthorized person to drive his car after a borrowed vehicle being driven by Thomas A. Reuss, 15, of Grayslake, damaged a fence off Shorewood road.

OWNER OF the damaged farm fence is Warren Reese of route 2, Lake Villa.

Three people were reported shaken up in an accident on Belvidere road near a drive-in movie early Sunday.

Lake county sheriff deputies listed them as Betty Skosted, 16, of route 173, Antioch, a passenger in the auto of James M. Tollison, 21, of route 1, Bristol, Wis.

Also Mrs. Peggy Hower, 18, wife of the driver of one of the cars; Allen E. Hower, 21, of route 1, Bristol, Wis., and the Bowers' infant daughter, Rhonda.

A third car involved in the mishap was being driven by James R. Oehne, 23, of Des Plaines.

State Bank 'Open House' Scheduled on Wednesday

The "welcome mat" will be out along with a red carpet treatment next Wednesday afternoon and evening when State Bank of Antioch holds open house to mark the formal opening of its remodeled quarters on Main street.

It will be a gala event for all attending with prizes being offered, refreshments served and gifts for everyone attending.

Tuesday evening of next week bank officials from out of town and local bank directors will be guests of the bank at an open house. The general public will not attend Tuesday.

"Plan to attend... get acquainted with Lake county's most modern banking institution," is the suggestion of bank officials.

"We at the State Bank of Antioch cordially invite you, your family and friends to attend the open house celebration of our newly remodeled quarters... Wednesday, May 4, 1960, from 3 to 9 p.m.

One of the souvenirs of the occasion will be a page brochure telling some interesting facts and figures about the history of the local banking institution and bringing readers up-to-date on its facilities.

There are pictures and descriptions of the interior and exterior, bank officers and personnel, its various departments, equipment used, services offered and operations.

A conducted tour of the bank will be a feature for anyone interested. The remodeled bank building has been enlarged so that all departments have larger quarters than formerly and with the result that space has been more than doubled in size.

There is more office space upstairs, a large vault on the second floor, a main vault downstairs with safety deposit boxes, a lounge upstairs for bank personnel and guests.

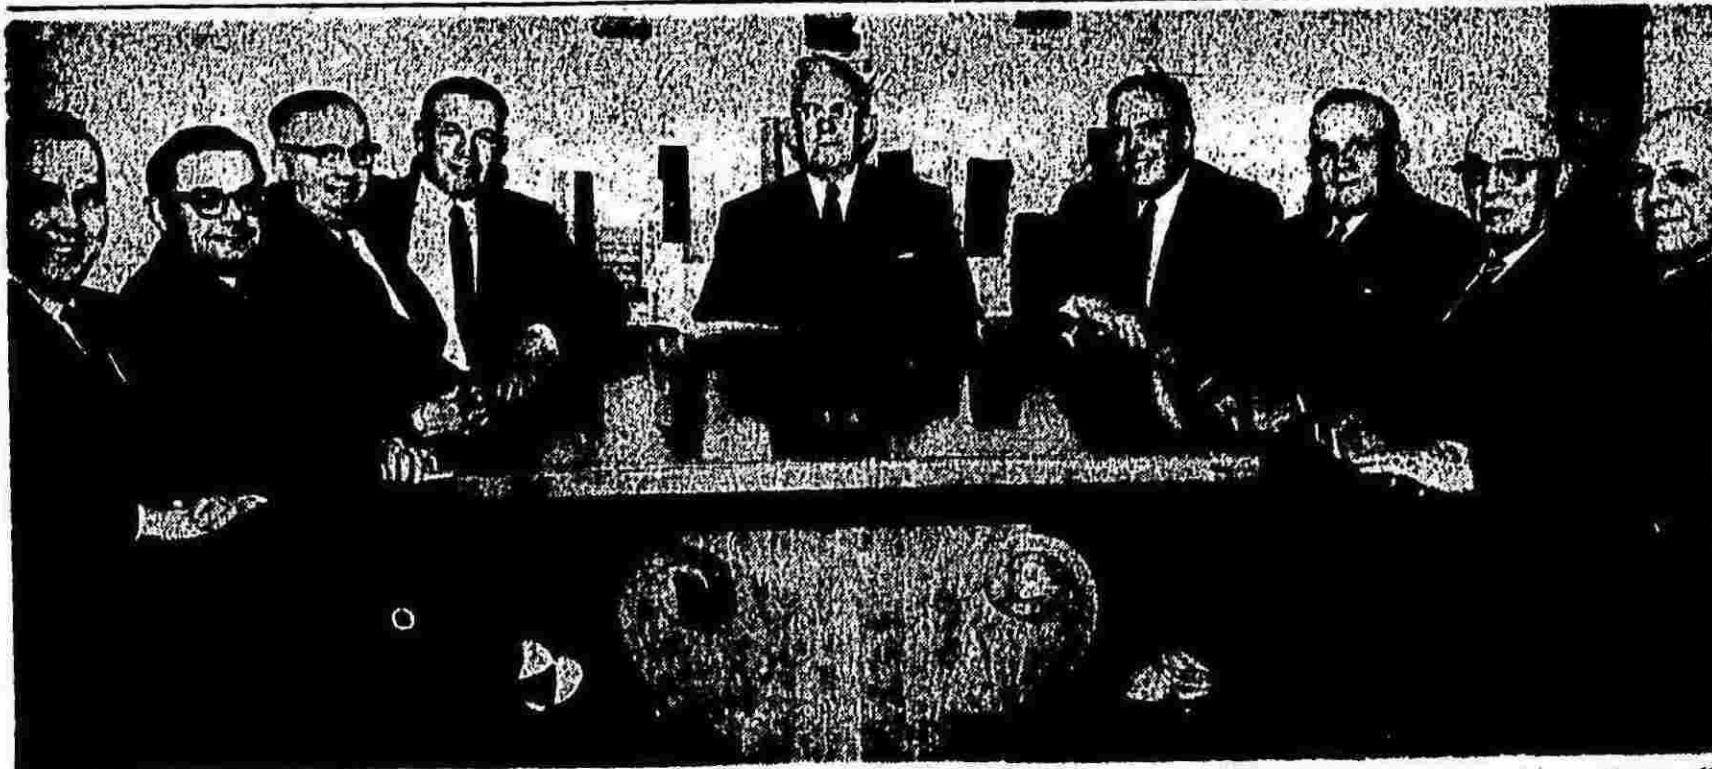

Additional space was added also by remodeling the second floor of the building housing Gibbs & Jensen store on Lake street.

DEAR READER News Editorials

And The Slaughter Continues

Antioch and vicinity had the dubious distinction last weekend of being the site of a fatal highway accident.

Another crash within a few feet of exactly the same spot earlier had caused injuries to other people.

Odds against two accidents happening in the same place within a comparatively few minutes of each other and in the same evening probably are pretty high even with the large number of vehicles on the road these days.

But we wonder what the odds are these days on a person being killed in an accident.

Must this useless slaughter of human life continue?

Aren't we drivers, highway builders, state, county and local officials, law enforcers and others connected in one way or another with such accidents learning—but equally as important, practicing what we are learning?

Carelessness—driving too fast or too slow, weaving in and out of traffic, driving too close to the vehicle in front, etc., etc.—is the main cause of accidents.

Only one person can prevent them. That is YOU.

CHANNEL LAKE—Cub scouts of troop 86 had their pack meeting at the Channel Lake school on April 22. Den 2 presented the flag to open the meeting. There was a craft display by Den 4.

Cubmaster John Eckert gave out awards to the boys. Tim Trussell received his Bobcat pin (with two older brothers in scouting, Tim has been anxiously waiting for the day he'd be eight years old and could become a Cub); Richard Lebowski, Lion badge, two year service pin; Mike Ring, golden arrow; and Allan Kriesant, silver arrow.

Before the session opened, a gimmick was used to acquaint the adults with each other. Each adult was required to have 20 people write their names on a sheet of paper.

They were then instructed to tear

each name off the list, and at the close of the meeting return the 20 names to their owners.

Ever try to sort out the names of several people you don't know and fit the names to the proper people? It isn't easy.

A skit was presented by the adult leaders, "The Push-Button Radio." Cubmaster John Eckert switched a facsimile of a radio from station to station, cutting off voices of various people in the middle of sentences.

Barbara Bjork was heard as a lecturer on Cub Scouting, Cornelius Lulofs as a politician, Lorraine Lemke as a soap opera, Lee McKinney as a fight announcer and Dolores Eckert as an announcer giving a commercial for "Crumble Corn Flakes."

Margaret Runyard gave the introduction to the skit. The resultant hodge-podge was enjoyed by both children and adults.

Cubmaster John Eckert announced the next committee meeting will be at the school May 12. All parents of Cubs are requested to attend—no children, please.

The meeting was closed by Den 3. Den 1 served refreshments.

DEAR EDITOR Your Letters

April 28, 1960

Antioch, Illinois

Dear Disgusted Reader:

Both as a taxpayer and as a librarian, I feel that I must take a little time and space to answer your arguments against a Town Hall and Library Building.

At the present time, none of the Township officials have any office space at all. I think the village permits them to hold their meetings in the Village Hall.

I don't know what they do with all of the materials that they must keep on hand.

The Library is sheltered at the property generously given to the Library Board by Mr. and Mrs. William Schroeder.

Requests from Mr. and Mrs. C. K. Anderson made it possible to provide enough space to house our book collection back in 1951, when we had 10,000 books and a yearly circulation of 27,000.

Now we have 14,000 books and the circulation for 1959 was 43,000.

Books are overflowing the available space for shelving.

The library furnishes collateral reading for a school population of 2200, which figure is not static.

Right now it is not unusual for 60 children to be crowded into the building at one time, trying to find reading material from overcrowded

shelves which are jammed together in too little space.

Many evenings, every chair is occupied by students with the overflow finding seating space on the stairway.

If Disgusted Reader would care to stop in at the library I can add a great deal to the above paragraphs.

Sincerely,
Marian Harden, Librarian

Antioch, Ill.

To "The Antioch News":
In October of 1958 several folks from our subdivision attended a zoning board meeting, at which we heard a proposal for an outdoor theater vetoed by only 10 people.

This surprised us very much. We are all sincerely sure that an outdoor theatre in this supposed resort area, demanded one. Our visitors and permanent residents certainly would appreciate this form of relaxation in the summer months.

We in Antioch lost out on this venture, but Fox Lake now has an opportunity to have one. Let's all get together and allow the promoters of this splendid idea to furnish us an outdoor theater, instead of driving 20, 30 or even 50 miles to attend one.

Sincerely,

Channel Lake School Referendum To Build Gym-Lunch Room Planned

By Mrs. Pearl Kapell
Phone Antioch 1637

CHANNEL LAKE—The Channel Lake school board is preparing a referendum to present to the voters of the district, probably sometime in June, asking for funds to build a combination gymnasium and lunchroom for the school.

The present lunchroom then could be divided into two classrooms, if needed.

Lee McKinney was elected president of the school board at a recent meeting of the board. Mrs. Mary Chase was re-elected secretary.

Richard Harland is a new member of the board, replacing former president Russell Roepensch.

Teachers' salaries for next year were discussed, as was the matter of hiring a new teacher, to replace Mrs. Shirley Kalath, who is leaving the community.

The board decided to hire a clerk to do bookkeeping and paper work.

About 20 Girl Scouts attended a meeting of Troop 73 at the school house on April 21. Three Brownies

who will soon be "flying up" to Scouts were visitors for the evening. The girls planned a cook-out and hike to Fox River park on May 7.

Marlene Bolton, Girl Scout leader, asked that all girls be sure to bring their scrapbooks to future meetings.

Marge Bartley and Karen Rogers will bring refreshments for the next troop session.

Charlene Miller, daughter of Loretta Miller of Channel Lake Bluffs, graduated from the American Hairdressing school in Chicago recently and took her state board tests on April 26.

Charlene and her brother, Kenneth, are caring for Meyers Grocery store during the absence of Mrs. Ann Meyers. Mrs. Meyers is in St. Theres hospital recovering from surgery.

The Sam Schaefer have returned to their home on Lake Marie after staying in Chicago for two weeks. The recent high water caused them to leave their home.

The Lee Franks of Channel Lake Bluffs are spending about ten days in Florida. Mr. Franks won the trip as a salesman, and friends and neighbors took the Franks' children so that Mr. and Mrs. Franks could be free to take the trip.

Children who made the honor roll for the past six weeks period at Channel Lake school are:

First Grade: Diane Anderson, Patsy Burnett, Janice Lindblad, Edwin Krupo, Margie Scalan, Gary Inman, Mike Geiger, Jill Jasmer.

Second Grade: Mike Clark, Sandy Davidson, John Eckert, Debra Stankus, Susan Turner, Colleen Ward; Third Grade (Mrs. Kalath's room): Gary Gessler, Mary Lulofs, Randy Roberts.

Third Grade: Joe Andriola, Kathy Eckert, Norman Harris.

Fourth Grade: John Bjork, Jean Kaleth, Wendy Eberman, Martin Lulofs, Marty Peters, Craig Patterson, Donna Wetmore.

Fifth Grade: Fred Wittleder, Billy Loeper.

Sixth Grade: Joan Lindblad, Sharon Dowell, Kathy Patelski, Rodney Patterson, Karen Roberts, Pat Sershon, Linda Soby, Patty Yanca, Terry Yanca.

Seventh and Eighth Grade: Nancy Lindblad, Ted Gessler, Dick Davis, Roger Eberman, Ken Stankus, Ed Matejka, Mary Dahlman.

Several Cub Scout leaders from Troop 88 will attend Clean-up week at Camp Ma-Ka-Ja-Wan on the weekend of April 30. The men help to get the camp ready for occupancy by the Scouts for the summer, and also enjoy some camp life. Those planning to attend are Blaine and Tom Ring, Casey Lulofs, Philip Burgdorf, Joe Lebowski and John Eckert.

Cub Scouts of Troop 88 will make a trip to O'Hare field May 15. Cars will leave Channel Lake school

promptly at 12:30 p.m. Each boy will be allowed to take 50¢ with him for refreshments.

Adults who accompany the group are requested not to give any of the boys, including their own, additional funds. Cars and drivers are needed.

If you'd like to help out, or tour O'Hare field, call John Eckert at Antioch 1443.

Cub Scouts of Troop 88 had no trouble selling their candy in the recent sale. The boys took in \$144, with \$50 profit to the pack.

Phillip Burgdorf celebrated his first birthday at the home of his grandparents, Mr. and Mrs. Carl Burgdorf, with a party attended by seven young guests, all under

three years old. Cake, ice cream and candy were served and the kids had a ball. Phillip Burgdorf, Sr., tried to take pictures of the young group, but found posing seven children this age an impossible project. The kids just haven't learned to "ham it up" yet.

It was men's night at the Channel Lake P.T.A. on April 20. At least, the men were in charge of the program, but it was enjoyed by a largely feminine audience. Entertainment for the evening was furnished by films.

The first one was a tour of Bermuda, and showed fishing, skin diving and underwater photography and beach scenes.

I don't know how the beach scenes got in this strictly masculine film—they were mostly pretty girls in bathing suits—but the men seemed to enjoy this portion almost as much as the shots of beautiful fish.

The next film was on deep-sea fishing and fresh-water fishing. Following this, Ray Atwood presented a series of slides showing various activities of the Boy Scouts of Troop 88 through the past year.

Scoutmaster Atwood has arranged the slides in sequence to present the highlights of 1959 in his troop, and has taped a running commentary on

the film by himself and several of the Boy Scouts.

Next month the P.T.A. meeting will feature a representative from the Red Cross, who will lecture on safety in the water. Officers for the coming year will be installed at this meeting.

On April 30, the P.T.A. will hold a fun fair at the school from 7 to 9 p.m. There will be a bake sale, fudge, doughnuts and various articles will be for sale, and there will be games and surprises.

Carl Reynolds entered a hospital for oral surgery April 26.

OVER BACK-COUNTRY ROADS AT 40
WITH A SKY-HIGH LOAD OF TIMBER

Chevy middleweight shows the big rigs how it's done!

That's a 6303 medium-duty Chevrolet powered by a 283-cu.-in. V8. But there's sure nothing medium-duty about the load. Mr. J. E. Blankinship, Arkansas logging contractor, says both of his torsion-spring 6303's "move along at 40 to 50 miles per hour with 55,000 pounds gross weight and maintain a 5-trip-a-day schedule with no trouble at all." Figure the money you save when you've got a medium-duty truck that can cover 30,000 back-country miles a year with a high-tonnage load!

We've never seen anything like the amount of praise truck owners are heaping on Chevy's new torsion spring suspension. Owners like the fact the truck handles a whole lot easier, can move faster off the road without beating the driver to death and shaking loose all the sheet metal. They like the idea of extra thousands of miles before trade-in... Drive a '60 Chevy just once. It's a whole new experience.

Chevy middleweight averages 200 miles of back roads a day dogging timber out of the woods and delivering it to the mill at Crossett, Arkansas.

It played three numbers for the judges with each judge rating the band. Two of them rated it excellent and one as superior. After performing in concert, the local band had to sight read a number in front of another judge.

For this the ATHS group received a rating of good.

Mrs. Pat Schartz of Fairfield road asked Mrs. Dorothy Moe of Hickory drive to come over and help her with a dress she was having trouble sewing last Friday night.

Upon walking in Dorothy found out she was guest of a surprise party on herself. Dorothy and her husband, Albert, and their two children, Karen 11, and Gary 7, have sold their home here and are moving to Mundelein soon.

They have lived in Lindenhurst for four years and have watched it grow.

Her canasta club members and friends Georgia Sutherland, Bert Harces, Ing Spiegler, Ellen Harsh, Ruth Burke, Dolores Povlailis, Ida Christensen, Pat Verba, Betty Janega, Helen Mindak, Mel Uebele and Hannah Tobin gave her a huge ceramic ash tray as their going away remembrance gift.

Games were played and winners received prizes. They had punch, coffee and a beautiful cake with "Happiness in your new home" decorated on it.

Members of the Game club went to George Diamond's Steak House near Antioch for dinner last Thursday evening. They all enjoyed their dinner. The girls in the club are Mesdames Sally Keppeler, Dee Flint, Peggy Karry, Anne Hartokolis, Nancy Kleffner, Anita Romano, and Evelyn Duscac. VENETIAN VILLAGE—The Band association of the Lake Villa school announces the election of the following officers: President, Leland Hansen; first vice president, Edmund Johnson; second vice president, Lena Ekdahl; third vice president, Betty LoDolce; recording secretary, Anita Durling; corresponding secretary, Clara Millar, and Bert Henry, treasurer.

The meeting was enlivened by the appearance of the Bristol Farmers band to furnish entertainment. This, the oldest band in the United States, specializes in a quartet and novelty numbers as well as outstanding band selections.

The school band is prepared to enter contests at Peoria on April 29, with the association paying costs of transportation, hotel accommodations at the Rogers hotel in Bloomington, and breakfast.

May 6 the Band association meeting will include installation of the new officers and refreshments.

The Venetian Village Men's club will sponsor a dance the evening of May 21, at the Venetian Village Civic association hall. There will be a band to provide the music.

Next meeting of the American Legion auxiliary, on May 9 at 8 p.m., will be held at Johnson's Fourth Lake hall. A display of new veterans' craft will be featured. The evening will end with an interesting demonstration program. For this special meeting all ladies of the area are invited.

Monday evening will be a big night for three Scouts of Troop 88, since three of the boys will be receiving the Star Scout award.

Many other scouts will be given merit badges and patches which they have earned. A Red Cross film will be shown and refreshments will be served. Mrs. Dorothy Colbert and Mrs. Kenimer will be in charge of the serving.

Mr. and Mrs. William Heigel of West Miltmore are receiving congratulations and best wishes on the occasion of their 20th wedding anniversary. Mrs. Heigel is leader of Venetian Village Girl Scout Troop No. 29, and Mr. Heigel is committee chairman for Boy Scout Troop No. 88.

A special repeat performance of "Desperate Ambrose" is being read and planned by the Masters and Mates club of the Lake Villa Methodist church. This showing probably will be enacted in Round Lake and proceeds will be donated to the Countryside Hospital. It will afford many more people the chance to see this production, and at the same time benefit the project that so many Lake countians are working toward.

President of the West Miltmore Women's Auxiliary, Mrs. Vivian Waszek, has postponed the April meeting. Condition of the roads surrounding the Venetian Village Civic association hall, where meetings are held, made her decision necessary.

Janice Sebel had her 14th birthday last Friday, and her mother and father treated her to a dinner in honor of the occasion. Sunday they were visited by Mr. and Mrs. Wilbur Alfry and their two children, one of whom has a birthday at the same time as Janice.

Mr. and Mrs. Peter Salvato of Chicago spent last Sunday with the

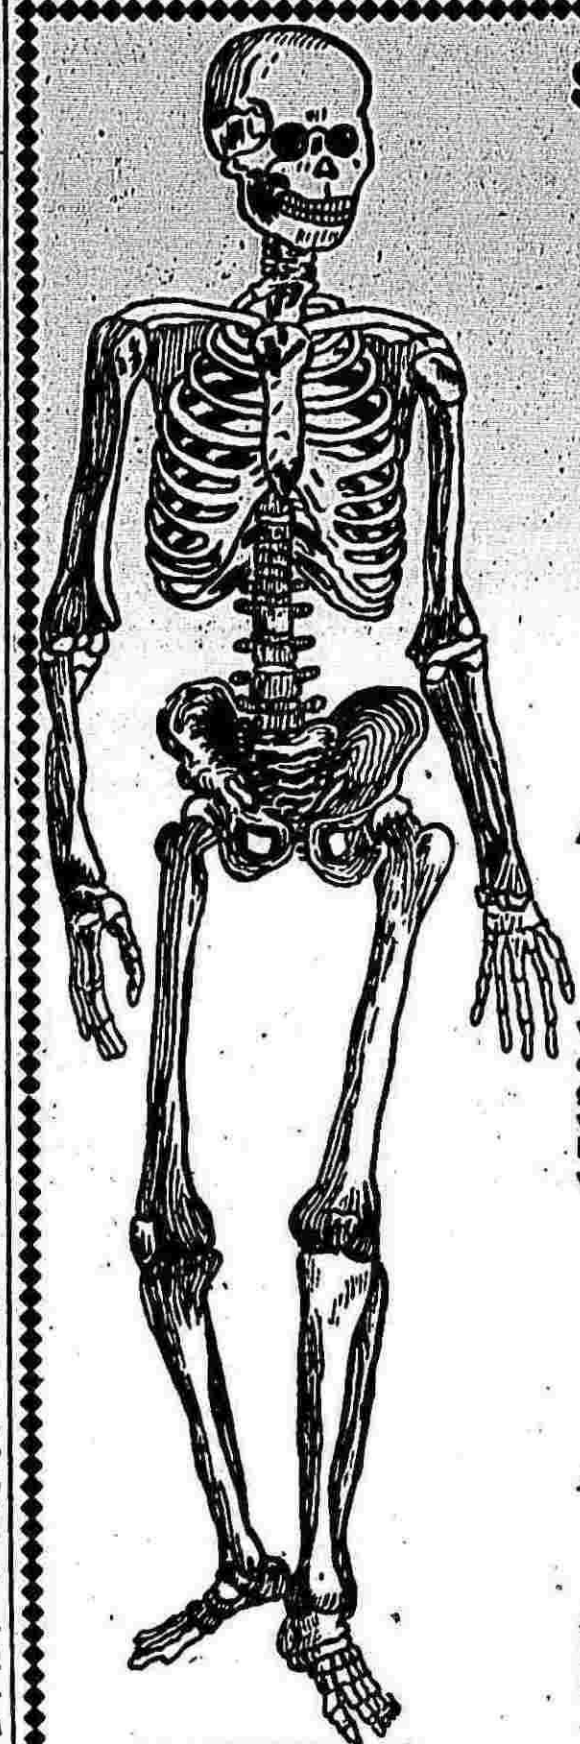

Clarence Reed family. Saturday Mr. Reed and son Tom drove to Coledo, Ill., for trout fishing. Next time try Miltmore or Sand Lake, fellows, for many anglers standing on the banks were pulling in bluegills, perch and bass.

Welcome home to Wanda Nolan, who just returned from a trip through the eastern states. She was houseguest of her nephew and his wife, Mr. and Mrs. William Pinsak, in Washington, D.C., and with them visited Annapolis, Baltimore and parts of Virginia as well as viewing the Cherry Blossom festival in Washington. Upon leaving there she toured New York, Philadelphia, and Atlantic City, and then back to Washington from where she took a plane for home.

April 22 Lillian Cochran and her daughter Marion Hammitt attended a reunion party of the Evergreen club in Chicago, to which they had formerly belonged. Mrs. Cochran and her daughter were members for 15 years before moving to Venetian Village.

The Venetian Village Civic association Women's auxiliary is planning its annual rummage sale. With chairman Marion Hammitt, and co-chairman Vicky Reidel gathering many unusual and usable items, this year's sale promises to be as successful as those in the past.

Mrs. Ella Slavik is chairman of the bake sale which will be held during the second day. Dates to remember are May 13 and 14.

LAKE VILLA—A major highlight of the annual meeting of the Lakeside Girl Scout council held this week at the Lake Villa grade school was the presentation of a 15-year pin to Mrs. A. H. Kaufmann of Antioch.

Mrs. Kaufmann, who is still active in the council, was one of five Girl Scout leaders who organized Lakeside council in 1947.

Previous to that time only Grayslake, Round Lake, Antioch and Mundelein were known as the Mundelein council which had 100 Girl Scouts. Later Lake Villa, Fox Lake, Eagleside and Gages Lake-Wildwood joined.

So Mrs. Kaufmann helped form what was to become Lakeside council which now has 88 troops and 1,425 Girl Scouts. Mundelein became part of the Moraine council.

Five senior Girl Scouts, including Emily Reichenbach of Antioch, showed color slides they made while attending the 1959 Senior Girl Scout roundup in Colorado Springs. There 6,500 girls from every state and 26 foreign nations set up a primitive Scouting, attended the session.

Bowling
(Continued from page 2)
ing is still held by Bob Schartz, with his 177 average.

High series was won by John Clark, 545; Oscar Young 534 and Mr. Kaufman 533.

High games were bowled by Art Heindel 207, Art Neubauer 201 and Mr. Kaufman 201.

Wolff's Resort took two games from Reliable Meats.

Bertrand's Sport Shop took two games from Western Sewerage.

Engle Realty took two games from Joe's Tap.

Thor's Shell Station took two from Saddle Inn.

Sponsor night at Saddle Inn April 22.

With two more nights to bowl, they all better win three games each night.

'Bell Ringers' To Seek Funds For Co. Clinic

Next... let's conquer mental illness!

Under this slogan, scores of Lake county volunteer workers will begin their "bell ringer" march on Sunday, May 1.

They'll be seeking funds for the vital programs of the North Lake County Mental Health society.

The week-long campaign will start with the ringing of church bells at 1:30 p.m., Boyd Mulder of Waukegan, society president, has announced.

"Our first goal is to prevent mental illness by building a better climate of mental health in our home communities," he points out. "Our secondary goals are to diagnose and cure mental illness as rapidly as possible, and to relieve suffering and anguish caused by mental illness."

Back in 1912, the still made possible the first commercial method of splitting the molecules of heavy oil to produce gasoline. The new method enabled the oil industry to double the yield of gasoline from each barrel of crude oil produced.

The area men were H. E. Meyers of Lake Villa, L. E. Murrie, L. T. Masek and J. M. Green of Antioch.

Spring Fishing in Chain 'O Lakes Is Reported Not Up to Usual Par

By Jim Jankowiak

Spring fishing in the Chain 'O Lakes is not up to the usual seasonal par. The unusually high waters make the sport somewhat difficult.

It is hard to tell exactly where the game and panfish are moving.

This, of course, is entirely due to the flooded conditions which exist everywhere in the area.

Northern pike have been reported in many shallow grassy spots. Notably, along the weedy shores of Grass Lake and the back part of Stanton Bay.

As to the crappies, nobody seems to know whether the run has even started yet. It is simply too difficult to locate them.

The same applies to the rest of the species found in the Chain. The Fox river run of Walleyes apparently has not started either.

The one ray of light in the angler's picture is the fact that even though the water is still chilly, the carp are starting to run. They have been hunted or reported just about everywhere in the last few days.

Many can be found floundering in the puddles left by the receding high waters.

There seems to be no best spot at this time. Peak of the run has not started and will probably not until the waters become warm enough for spawning.

Softball League Seeking a Team

The "help wanted" sign was hung out this week by the Lake Keno Softball league as it sought one more team to fill its 1960 season roster.

Action gets under way at the softball field 3 miles north of Antioch on highway 83 the evening of Tuesday, May 17.

But as of early this week there were but nine teams entered and 10 are needed, league secretary-treasurer Jim Erickson said.

Those on the roster now are Thom-Eric, the 1959 league champions; State Farm Insurance (men 35 years and older), Sterbenz garage, Pat's Lounge of Round Lake, Fox Lake Merchants, Golf View Tavern, Jim's Service, Joe's Tap of Lake Villa and Fox Lake Hills.

Any group or organization wishing to "join up" or wishes more information may do so by contacting Erickson at Antioch 954 or Less Huff at UNDERhill 2-3651 (Trevor, Wis).

One of the best ways to display the Christmas spirit is to yield the right of way in traffic. Failure to yield the right of way contributes to many traffic accidents.

activities of granular and liquid herbicides will be one of the topics featured at the Illinois Custom Spray Operators Training school on Jan. 27-28 at Urbana.
